

HEALTH AND SAFETY POLICY

Hungrana Ltd. is a reliable manufacturer of high-quality products for the food, feed, alcohol and other industrial segments.

For Hungrana Ltd., safety is the top priority!

Hungrana Ltd. is committed to contributing to the preservation of the health and safety of its employees through its responsible actions as part of its daily business activities, and implement a proactive HSE culture to prevent accidents while maximizing the positive impact of its activities on society. To achieve this goal, the Company uses the following tools:

- *operation of a comprehensive management system in accordance with the MSZ ISO 45001: 2018 standard valid for all activities and processes of the Company;*
- *helping regular and external employees to develop their approach to occupational safety and to continuously improve their knowledge through regular training;*
- *continuous monitoring of legal requirements and full compliance with them.*
- *paying special attention to protecting the health and physical integrity of workers, reducing risks and achieving a higher level of occupational safety;*
- *formulating and communicating the set occupational health and safety objectives to ensure continuous improvement and ensuring that the resources necessary to achieve the objectives and programs are available;*
- *its contractual partners and suppliers are expected to accept the goals and principles of its policy and to carry out their activities with this in mind;*
- *implementing interactive communication that ensures the flow of information between the various organizational levels of the Company.*

The employees of Hungrana Ltd. are familiar with the Company's occupational health and safety policy, and their activities are in line with all its aspirations.

Hungrana Ltd. reviews the rules and operation of the occupational health and safety management system every year in order to ensure its validity and adequacy for the organization.
