

SUSTAINABILITY POLICY

Hungrana Ltd. is a reliable supplier of food, feed and other industrial products and fuel alcohol production of international standard to users from the food or feed industry, and industrial users.

Sustainable development is one of the most important quality development commitments of Hungrana Ltd.

In doing so, Hungrana Ltd. continuously monitors the use of materials, energy and other resources, supports reuse and utilization in its materials, strives to reduce the environmental impacts of their turnover, and launches programs to save natural resources. The Company places great emphasis on the development and integration of technologies that mitigate environmental impacts, continuously develops its processes and applies sustainability as a comprehensive aspect in its external relations as well.

Hungrana Ltd., in addition to protecting environmental values, is committed to monitoring the main economic impacts of the organization on society and the impact of product and service management on customers and users, as well as the protection of human rights and social responsibility, and the continuous expansion of related knowledge and the ongoing conversation between the Company and the society.

In the course of its activities, Hungrana Ltd. places great emphasis on the following:

- *compliance with national and international legal requirements, in particular the limit values and requirements laid down in Directive 2009/28 / EC,*
- *ensuring traceability and transparency of sustainability schemes,*
- *reducing greenhouse gas emissions and related harmful effects during the life cycle of sustainably produced products, maximizing savings*
- *constant communication with stakeholders.*
- *ensuring economic, social and environmental sustainability.*

The employees of Hungrana Ltd. are familiar with the sustainability policy of the Company and their activities are in line with all its aspirations.

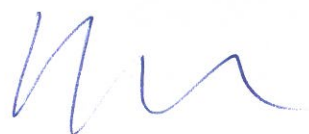

Hungrana Ltd. reviews the rules and operation of its sustainability system every year in order to ensure its validity and adequacy for the organization.

Hungrana Ltd. is constantly working to ensure that its activities supporting continuous and sustainable development stays within a regulated framework by applying the **ISCC EU** and **ISCC PLUS** standards.
